

Milford & District U3A Monthly E-Newsletter: April 2021

Dear members,

Our Monthly Talk tomorrow Friday April 9th is at 2pm via Zoom and is entitled: **“Barrow to Baghdad and Back Again” (My Career Story)** – by Mr Philip Caine. Since retirement Philip has written 9 fictional adventure thrillers featuring Jack Castle. His talk encompasses years working abroad in the oil industry and is full of interest, anecdotes, humour and inspiration.

Bob will email out the zoom link the day before. Please note that unfortunately if you miss the talk we cannot send you a recording afterwards. This is because the talks are copyright to each speaker and they are naturally reluctant to share their material online.

AGM Friday May 7th 2pm. This will be via zoom and we do ask that you attend as we need at least 60 of you to be present to conform with the Charity Commission rules. Papers will be emailed out shortly and Bob will email the zoom link the day before.

National U3A Day June 4th The idea is to raise the profile of U3A with each individual U3A putting on some sort of local publicity. We plan to do something drawing people’s attention to our website to highlight some of our activities. If you have any ideas we could use please contact Alan Day, our webmaster.

Vacancies: No-one has volunteered to take over as **secretary**. This is an essential role and without one the U3A may not be able to continue. Please contact me for further information.
